

Bettin' On Me

Train

Got no skin in this, baby
But you know if I did
People thought I was crazy
When I was just a kid
I lost every game
Every chance at love
I got no horse in this race now
You left me 'cause

I was talking forever
For better or not
Right down to the letter
'Til you got caught
Now downtown there's a crowd
Throwing down money on you
Yeah, we'll see
I'm bettin' on me

In the paper this morning
Your horoscope said
Your fu-fu-future is bright
And mine said stay in bed
But I got plans in the city
Got dreams going west
You can have right now, baby
I'm'a take the rest

I was talking forever
For better or not
Right down to the letter
'Til you got caught
Now downtown there's a crowd
Throwing down money on you
Yeah, we'll see
I'm bettin' on me

I'm bettin' on me
Oh, oh
I'm bettin' on me

I was talking forever
For better or not
Right down to the letter
'Til you got caught
Now downtown there's a crowd
Throwing down money on you
Yeah, we'll see
I'm bettin' on me

Yeah, we'll see
Ooh, I'm bettin' on me
Na-na-na-na-na-na
I'm bettin' on me
Ah, oh, whoa, yeah

I was talking forever
For better or not

Right down to the letter (No, not now, yeah)
Downtown there's a crowd
(They're throwing down, throwing down money on you, baby)
Throwing down money on you
Yeah, we'll see
I'm bettin' on me
