

# Drive By

Train

Capo on 4th Fret

[Verse 1]

**Am** **F**  
On the other side of a street I knew, stood a girl that looked like you  
**C** **G**  
I guess that's deja vu but I thought this can't be true cause  
**Am** **F**  
You moved to west L.A or New York or Santa Fe or  
**C** **G**  
Wherever to get away from me

**Dm** **F**  
Oh but that one night was more than just right  
**C** **G**  
I didn't leave you cause I was all through  
**Dm** **F**  
Oh I was overwhelmed and frankly scared as hell  
**E7sus4** **E7**  
Because I really fell for you

[Chorus]

**F** **C**  
Oh I swear to you I'll be there for you  
**G** **Am** **G**  
this is not a drive by-i-i-i-i

**F** **C**  
Just a shy guy looking for a two-ply  
**G** **Am** **G**  
Hefty bag to hold my i-i-i-i- love

**F** **C**  
When you move me everything is groovy  
**G**  
they don't like it sue me  
**Am** **G**  
umm the way you do me

**F** **C**  
Oh I swear to you I'll be there for you  
**G** **Em**  
this is not a drive by-i-i-i-i

[Verse 2]

**Am** **F**  
On the other side of a downward spiral, my love for you went viral  
**C** **G**  
And I loved you every mile you drove away  
**Am** **F**  
But now here you are again so let's skip the "how you been" and  
**C** **G**  
Get down to the "more than friends" at last

**Dm** **F**  
Oh but that one night is still the highlight  
**C** **G**  
I didn't leave you until I came to

**Dm** **F**  
And I was overwhelmed and frankly scared as hell  
**E7sus4** **E7**  
Because I really fell for you

[Chorus]

[Bridge]

**Em** **Am** **Dm** **G** **G/F**  
Please believe that when I leave  
**E** **Dm**  
There's nothing up my sleeve  
**G**  
But love for you and a little time to get my head together too

**Am** **F**  
On the other side of a street I knew, stood a girl that looked like you  
**C** **G**  
I guess that's deja vu but I thought this can't be true cause

[Chorus]
