

Heartbreaker

Train

Hey fellas, have you heard the news? You know that Annie's back
in town

It won't take long just watch and see how the fellas lay their
money down

Her style is new but the face the same as it was so long ago
But from her eyes, a different smile like that of one who knows

Well, it's been ten years and maybe more since I first set eyes
on you

The best years of my life gone by, here I am alone and blue
For some people cry and some people die by the wicked ways of l
ove

But I'll just keep on rollin' along with the grace of the Lord
above

People talkin' all around 'bout the way you left me flat
I don't care what the people say, I know where their jive is at
One thing I do have on my mind, if you can clarify, please do
It's the way you call me another guy's name when I try to make
love to you, yeah

I try to make love but it ain't no use
Give it to me
Give it

Work so hard I can't unwind, get some money saved
Abuse my love a thousand times, however hard I tried
Heartbreaker, your time has come, can't take your evil way
Go away, heartbreaker

Heartbreaker
