

Get Still

Trampled by Turtles

Do you want a big thrill?
Do you want to get real?
Do you want to sit still?
I'm a want to make a deal deal

80 acres of trill
Everybody on strip pill
Everybody on drip kick
And it's so much wicked

Ahhh
Unmistaken and
Ahhh
What's that end
Ahhh
I can't plan

And I'm gonna need the notes read
Kitty needs this for chips
Give it me cold
Yeah I'm coming over
Remember the Stouffer
And you better be sober
Gonna make you remind
That in the end that's just fine

(Oh) (Ooo)
Somewhere out there
(Oh) (Ooo)
Somewhere out there
(Oh) (Ooo)
Or right there
(Ooo)
Or right there
