

Not Broken

Trampled by Turtles

One of these days I'm gonna learn
Something I've probably already heard
So turn on the bright lights
And turn up the drum mics
Turn up the probably I don't know

It's not broken, I'm not angry
It's not broken, I'm not angry
It's not broken, I'm not angry
It's not broken, I'm not angry

Oh, that sound, it's so damn loud
Hold it down, hold it down
Oh that sound it's too damn loud
Hold it down hold it down

It's not broken, I'm not angry
It's not broken, I'm not angry
It's not broken, not broken

Broken, not broken
