

I Need You

Transatlantic

We used to laugh
We used to cry
We used to bow our heads then
Wonder why
But now you're gone
I guess I'll carry on
And make the best of what you've left to me
Left to me, left to me...

I need you
Like the flower needs the rain
You know, I need you
Guess I'll start it all again
You know, I need you
I need you, I need you.
Like the winter needs the spring
You know, I need you
Guess I'll start it all again
You know, I need you
I need you, I need you.

And every day
I'd laugh the hours away
Just knowing you were thinking of me
And then it came
That I was put to blame
For every story told about me
About me, about me...

I need you
Like the flower needs the rain
You know, I need you
Guess I'll start it all again
You know, I need you
I need you, I need you.
Like the winter needs the spring
You know, I need you
Guess I'll start it all again
You know, I need you
I need you, I need you.

[I Need You - The Beatles]

You don't realise how much I need you.
Love you all the time and never leave you.
Please come on back to me.
I'm lonely as can be. I need you.

Said you had a thing or two to tell me.
How was I to know you would upset me?
I didn't realise as I looked in your eyes...
You told me.

But when you told me, you don't want my lovin' anymore.
That's when it hurt me.
And feeling like this, I just can't go on anymore.

Please remember how I feel about you.
I could never really live without you.
So, come on back and see just what you mean to me.
I need you. I need you. I need you.
