mawe lela dimila  
mawe dimila  
mawe lela dimila  
mawe dimila

aw lelsama, wele le ma  
aw lelsama, wele le ma  
aw lelsama, wele le ma  
aw lelsama, wele le ma

aw lelsama, wele le ma  
aw lelsama (spellbound...)  
wele le ma  
aw lelsama, wele le ma  
aw lelsama, wele le ma

...  
she says: can you love me?  
he says: yes  
she says: how sweet is the feeling?  
he says: as sweet as honey  
she says: honey is sticky  
he says: then come and drink for me  
she says: my arms are like pillars  
he says: and my foundation runs deep  
she says... he says... she says...  
together in warm embrace...

aw lelsama, wele le ma  
aw lelsama, wele le ma  
aw lelsama, wele le ma  
aw lelsama, wele le ma

...  
she says: as deep as the ocean  
he says: and I'm your swimming fish  
she says: salt in my wounds  
he says: from my tears of pleasure,  
like a shark I pursue you  
she says: and I am to be consumed  
he says: consumed in my passion  
she says: like a water lily lotus  
leaf I unfold my shakras of light to you  
he says: and light we are  
she says: and light we are  
he says: no more...  
as she lips in to a deep sleep of peace...  
spellbound...

aw lelsama, wele le ma  
aw lelsama, wele le ma  
aw lelsama, wele le ma  
aw lelsama, wele le ma

aw lelsama, wele le ma  
aw lelsama, wele le ma  
aw lelsama, wele le ma  
aw lelsama, wele le ma

mawe lela dimila  
mawe dimila  
mawe lela dimila  
mawe dimila.....
