

## You Can't Miss It (It's Everywhere)

Transit

I've tried to keep my conscience light  
But guilt and anxiety were sold to me  
Guilt and anxiety keep me up at night  
With the best of intentions  
I can't forget how you took away the happiness from my life  
Like all the city lights broke at the same time

You can't miss it  
It's everywhere  
You won't miss us  
We are everywhere

And it seems I only have two speeds  
Too much too soon or not enough  
Too much too soon or not enough  
With the best of intentions  
I can't forget how you took away the happiness from my life  
Like all the city lights broke at the same time

You can't miss it  
It's everywhere  
You won't miss us  
We are everywhere

I'm nothing special really  
I'm just a kid who tried too hard  
And lost his heart in someone else's bed or car  
I don't remember anymore

And you can't miss it  
It's everywhere  
You won't miss us  
We are everywhere
