

## Gratitude

## Transplants

Good times gone and you missed them  
What's gone wrong in your system  
Things they bounce just like a spalding  
What'd you think did you miss your calling  
It's so free this kind of feeling  
It's like life it's so appealing  
When you've got so much to say  
It's called gratitude, and that's right

Good times gone but you feed it  
Hate's grown strong you feel you need it  
Just one thing do you know  
What you think that the world owes you  
What's gonna set you free  
Look inside and you'll see  
When you've got so much to say  
It's called gratitude, and that's right
