

Bad Intentions

Transviolet

I never could say no to a free high
Take a hit, take a sip till I reach my limit
Roll one in the kitchen, light it up, pass it back round to me
Gimme, pills from your pocket, to the table, to my right hand
To my tongue, to my blood, to my synapse
Every inch of my skin iridescent

Are you tryin' to get me drunk?
Are you tryin' to get me high?
Are you tryin' to take me home?
I'm just trying to have a good time
I'm just trying to have a good time
Are you tryin' to get me drunk?
Are you tryin' to get me high?
Are you tryin' to take me home?
I'm just trying to have a good time
I'm just trying to have a good time

I don't give a fuck about your bad intentions
I've got the feels
I'm on another level, no inhibitions
I've got the feels
I don't give a fuck about your bad intentions
I've got the feels, got the feels, got the feels
Hey, hey

I've got the feels
I don't give a fuck about your bad intentions
I've got the feels, got the feels

Never could say no to a joyride
Feelin' it, kickin' it, think I reached my limits
Streetlights, gettin' blurry
Up and down space time doesn't rule me
Gimme pills from your pocket, to the floor, to my left hand
Pick it up, throw it back like whiplash
Call me Lucy in the Sky with Diamonds

Are you tryin' to get me drunk?
Are you tryin' to get me high?
Are you tryin' to take me home?
I'm just trying to have a good time
I'm just trying to have a good time
Are you tryin' to get me drunk?
Are you tryin' to get me high?
Are you tryin' to take me home?
I'm just trying to have a good time
I'm just trying to have a good time

I don't give a fuck about your bad intentions
I've got the feels
I'm on another level, no inhibitions
I've got the feels
I don't give a fuck about your bad intentions
I've got the feels, got the feels, got the feels
Hey, hey

I've got the feels, hey hey
I don't give a fuck about your bad intentions
I've got the feels, got the feels, hey hey

I don't give a fuck about your bad intentions
I've got the feels
I'm on another level, no inhibitions
I've got the feels
I don't give a fuck about your bad intentions
I've got the feels, got the feels, got the feels
Hey, hey

I've got the feels, hey hey
I don't give a fuck about your bad intentions
I've got the feels, got the feels, hey hey
I don't give a fuck about your bad intentions
I've got the feels, got the feels, hey hey
