

Blue Flowers

Transviolet

Blue flowers on the side walk
Sun setting while our friends talk
This bittersweet memory
It's never the end
It's oh

I get lost in emotion
This is life in slow motion, oh oh
It's my daily devotion
Bring me back to this moment

It's only love
Only love
Only love
Only love
It's only love
(Bring me back to this moment)
Only love
Only love
Only love
Love

You were on fire
Chasing the sun
Was it a dream?
I miss you so much

I get lost in emotion
This is life in slow motion, oh oh
It's my daily devotion
Bring me back to this moment

It's only
It's only love
Only love
Only love
Only love
It's only love
(Bring me back to this moment)
Only love
Only love
Only love
Love

I wanna tell you how I really feel
I'll let you know when I figure it out
Is it the drugs or this for real?
I don't care, put some more in mouth
And now it's five in the morning
And I'm just laughing at the shape of the clouds
And if you think you think I'm so boring
Why do you want me so bad right now?

Blue flowers on the side walk
Sun setting while our friends talk
This bittersweet memory
Bring me back to this moment

It's only love
It's only love
(Bring me back to this moment)
Only love
Only love
Only love
Love

Blue flowers on the side walk
Sun setting while our friends talk
This bittersweet memory
Bring me back to this moment

It's only love
(Bring me back to this moment)
Only love
Only love
Only love
Love
