Don't Do Me Like That

Transviolet

Knew when we met
It was the start of
Something catastrophic
Now that we're clear
Now that it's over
Can't say I'm surprised but I

Never thought you'd be the
Type to go and call me
Blacked out after 2am
Strangers in the morning
Act like you don't know me
Taking pictures with my friend

Don't do me like that
Don't do me like that
Don't do me like that
Don't do me like that

Seeing you out
I hope you don't notice
Forcing conversations
I play it cold
But I can get jealous
Tell me you don't think about us

So when you go and call me
Never thought you'd call me
Blacked out after 2am
Strangers in the morning
Act like you don't know me
Taking pictures with my friend

Don't do me like that
Don't do me like that
Don't do me like that
Don't do me like that

Always knew this love was hollow
(Always knew this love was hollow)
Never knew you'd be so hollow
(Never knew you'd be so hollow)
Always knew this love was hollow
(Always knew this love was hollow)
Never knew you'd be so hollow
(Never knew you'd be so hollow)

Don't do me like that
Don't do me like that
Don't do me like that
Don't do me like that

Don't do me like that
Always knew this love was hollow
Don't do me like that
Always knew this love was hollow
Don't do me like that

Never knew you'd be so hollow
Don't do me like that
Don't do me like that
