

## LA Love

Transviolet

Light explodes on diamonds painting prisms, spilling rainbows on the floor  
Gold martini goddess sips on vodka while white collars stalk the girls,  
And the big suits buy their

LA Love, burns like the summer sun  
Only love you when you're someone  
Only love you when you're someone  
LA Love, hot like a loaded gun  
Only love you when you're someone  
Only love you when you're someone

Lounges buzz electric, low lit taverns sit back classy thick with smoke  
Bar flies make impressions, hunt connections, laughing loud at dated jokes  
Don't they all want that

LA Love, burns like the summer sun  
Only love you when you're someone  
Only love you when you're someone  
LA Love, hot like a loaded gun  
Only love you when you're someone  
Only love you when you're someone

LA Love, burns like the summer sun  
LA Love, burns like the summer sun  
LA Love, burns like the summer sun
