

# Pure Happiness

Transviolet

I never felt like this, pure happiness, but  
You never felt like this, pure happiness  
I never felt like this, pure happiness, but  
You never felt like this, pure happiness

Pray, you never know  
Pray, you never know, a love so pure  
It's my addiction  
Pray, you never find a fate like mine  
The way she kisses

Again  
Yeah  
Again  
Yeah  
Again  
Yeah  
Again  
Again  
Yeah  
Again

I never felt like this, pure happiness, but  
You never felt like this, pure happiness  
I never felt like this, pure happiness, but  
You never felt like this, pure happiness

I never felt like this, pure happiness, but  
You never felt like this, pure happiness  
I never felt like this, pure happiness, but  
You never felt like this, pure happiness
