Loverboy

You really are the best
Your touch tingles my tongue like the tape of a cassette
Your kiss tears up diamond, falls like glass confetti
Your hands on my neck, you make bad go crazy

Put a beat in my heart
Every time you call my name
Hey, you wanna play a game?
Baby, you're my favorite game
Love it when you talk like that
Love it when you kiss me hard
Baby, you're my favorite game
And I never want you to stop

Make me your
Ritu-a-a-al
Make me your
Ritu-a-a-al
I won't tease you
Give you all my love, if you
Make me your
Ritu-a-a-l
