Pockets full at the jewelry store got me thinkin' 'bout freezin' my wrist off
But I got a whole bunch of shit that I gotta do lemme check the list off
First off gotta check da mail
Rent due and it high as hell
Second thing fuck it buy a bale
I know it's loud nigga by the smell
Third thing bout to roll a L, Gotta check the quality of the sale
Fourth thing don't go to jail cuz' these people always want to see ya fail

How doin' bitch I'm doin' well

Grinding hard like I'm on a rail
Dropping straight gas like I'm on a scale
