

One thing 'bout the city  
Right or or wrong everybody with it  
And every last one of y'all can get it  
It really get "griddy"  
If one fight everybody hittin'  
Who da opps it don't make no difference let me tell ya summthin'  
Don't come down here trippin'  
Might catch ya in the parkin' lot slippin'  
Welcome to jungle, we in the trench wild life livin'  
From the ville so know that we the villains

Straight outta Duval  
From my city to yo' city it get so gritty  
We really live by no pity  
From the door with it, let you know it's on the floor with it  
All my folks in the field running up the score with it  
Need the whole ticket my hitters a go get it  
Doin' no trippin' no crying and no quittin'  
Yeah it's our time, when u here follow the guidelines  
Better stay up on the sidelines  
Heard that it's chow time, where my meal at  
Gettin' real fat if it's beef we'll kill dat  
Shoutout to the real Jax we ain't even gotta bring da real back  
We already living where it's real at  
Everyday real facts  
Stay safe and conceal that, unless you want ya helmet peeled back  
Where ya gold and teal at? If u ain't dressed u should chill back  
Disrespect we don't really feel that

In my town betta' be ready it go down  
Tryna' throw down I'm recommending u slow down  
U should know now middle of summer it's cold out  
Bring da pole out keep it whenever u roll out  
We are so 'bout everything u don't know 'bout  
Havin' no drought, every ticket is sold out  
It ain't no doubt we show up and show out  
I'll holla duval all up in yo' house  
What u think?  
We slippin' we ain't  
Bring out da tank  
Lock down the bank  
Came wit soldiers boy don't make me crank  
Don't step in the paint just might black out and blank  
Cause u in jungle  
This ain't no zoo dawg  
You better check GPS I think you lost

No need for ceilings we just tear the roof off  
The way beaches and restaurants don't let that fool y'all u down in
