

IM LIT

Trap Beckham

I been in the mix
I was like 6
Told mama one day we gon' be rich
Half these niggas talkin' street shit
From the suburbs never been in the bricks
Member' all the days that we never had shit
Now a bitch act like she never had dick
Bitch I'm lit
Check Rolex wrist I bet ya can't do like this
Bitch I'm lit
Check Rolex wrist I bet ya can't do like this
Bitch I'm lit
Check Rolex wrist I bet ya can't do like this
Bitch I'm lit
Check Rolex wrist I bet ya can't do like this
Bitch I'm lit
Check Rolex wrist I bet ya can't do like this
Bitch I'm lit
Check Rolex wrist I bet ya can't do like this
Bitch I'm lit
Check Rolex wrist I bet ya can't do like this
Bitch I'm lit
These fuck nigga be pissed like damn this nigga don't miss
What in the fuck? How do u figure it's luck?
Nigga my team been up
Shut the fuck up
You see a boss talkin' bitch better not interrupt

Bitch shake lil ass or something
Come make lil cash or something
What u need just ask or something
Need to get in yo bag or something
Niggas always be mad at something
Talkin' like they gon' crash or something
Must be down to yo' last or something
I can tell when a nigga ain't havin' nothin'
I ain't tryna put ya blast or nothin'
We can step to the side and have discussion
Do my shit I don't brag or nothin'
Niggas be funny I don't laugh or nothin'
Smoke my blunt I don't pass or nothin'
I don't ash or nothin' I'm gassin' up
Bad lil bitch come back it up
No shakin' up I'm packin' up
I'm at they neck like Dracula
In the booth with a pan and a spatula
The way they copy after us
Had to switch my vernacular
Today I feel spectacular
These brand new clothes I'm fashioned up
The deal ain't a mil I'm passin' up
I'm bout tired of drivin' this Acura
Let's go get money stack it up

I been in the mix
I was like 6
Told mama one day we gon' be rich
Half these niggas talkin' street shit
From the suburbs never been in the bricks
Member' all the days that we never had shit
Now a bitch act like she never had dick

Bitch I'm lit
Check Rolex wrist I bet ya can't do like this
Been on my shit
These fuck nigga be pissed like damn this nigga don't miss
What in the fuck? How do u figure it's luck?
Nigga my team been up
Shut the fuck up
You see a boss talkin' bitch better not interrupt

Fuck it I'm goin' in overload
Trap at the club u know it's swole
I noticed a lot of u niggas don't know
U better check my portfolio
They call me goat I'm realer than most
A young nigga sicker than polio
All that I know is boats and ho's
We doin' dem shows from coast to coast
I feel like it's nobody bigger than me
I thought it was regular niggas with me
But I'm from the bangem last time I was hangin'
I ain't even know I had killers with me
See I'm at the top and it's only one seat
Me is the only opponent I see
I don't understand why they want it with me
I eat up beef talkin' bon appétit
Baby girl bend it go big on the beat

I been in the mix
I was like 6
Told mama one day we gon' be rich
Half these niggas talkin' street shit
From the suburbs never been in the bricks
Member' all the days that we never had shit
Now a bitch act like she never had dick
