

# MORE FIRE

Trap Beckham

Can I borrow a light  
Can I borrow ya lighter  
More ganja more life  
Keep on takin' me higher  
More fire, more fire, more fire, more fire

I can even lie girl I'm high  
Feel like I'm bout to fly to Dubai  
I couldn't catch a vibe if I tried  
Until I hit a  
Until I hit a  
Until I hit a blunt of that fye  
Good weed it saved my life  
And if you like to smoke put em high  
Never stressin' I got a question hey

Can I borrow a light  
Can I borrow ya lighter  
More ganja more life  
Keep on takin' me higher  
More fire, more fire, more fire, more fire

Smokin' on something fire  
If I told you that wasn't high I'ma liar  
Dispensary got any strain you desire  
Cookies, cakes, mango, papaya  
Indica sativa real stress reliever  
Edibles I eat and drinks by the liter  
It's medical, hit this get rid of ya fever  
I'm somewhere outta space I light a blunt and leave here  
Backwood, grabba, or you and grabba paper  
I don't do cigarettes, hookas, or the vapors  
So gon' fie that j up, pass it to ya neighbors  
Got all types of flavors of weed like Jamaica

Can I borrow a light  
Can I borrow ya lighter  
More ganja more life  
Keep on takin' me higher  
More fire, more fire, more fire, more fire

Gimme a light, gimme a light, gimme a light, gimme a light  
Light it up, light it up, light it up, light it up  
Roll the ganja, smoke the ganja, pass the ganja round'  
Roll the ganja, smoke the ganja, pass the ganja round'

Can I borrow a light  
Can I borrow ya lighter  
More ganja more life  
Keep on takin' me higher  
More fire, more fire, more fire, more fire

Can I borrow a light  
Can I borrow ya lighter  
More ganja more life  
Keep on takin' me higher  
More fire, more fire, more fire, more fire
