

Disconnect

Trapped Under Ice

Got to disconnect
Pick up the pieces of the life that I have left
And rebuild myself
To depend on no one else

How can you stand alone
When leaning on a crutch is all you've ever known
You've got to
Cut the cord
Sever the life force
Cut the cord

Have self respect
And make the best of the time that I have left
True to myself, true to myself
No one else

How can you stand alone
When leaning on a crutch is all you've ever known
You've got to
Cut the cord
Sever the life force
Cut the cord
Move

You've got to stand
Stand alone (stand alone)
Stand, stand alone (I will)
Stand, stand alone (stand alone)
Stand, stand alone

Cut the cord
Sever the life force
Leaning on a crutch is all you've ever known

Cut the cord
I cut the cord
