

Do It

Trapped Under Ice

I see no action, but everyone talks
About what they would do with their backs to the wall

Do it

Show me just how far you'll go, now
Do it
Show me just how far you'll go

Every time you look the other way
Your silence is deafening

Now we got to know
Just how far you'll go

Do it, do it, do it, do it, do it, do it, do it

Show me just how far you'll go, now
Do it
Show me just how far you'll go
Show me just how far you'll go
