

You don't have to hide from the violence
When you're invincible
You don't have to run from it all
When you're bulletproof
You can always handle a crises
When you're unbreakable
No one's gonna do you no harm
When you're bulletproof
When you're bulletproof

You will have to wage the war within
Don't make your mind a prison
Accept the sentence given
You'll remember everything you did
To help you stop the bleeding
To keep from disappearing

You don't have to hide from the violence
When you're invincible
You don't have to run from it all
When you're bulletproof
You can always handle a crises
When you're unbreakable
No one's gonna do you no harm
When you're bulletproof
When you're bulletproof

You wear your armor indestructible
No one can pierce the veil
Defenses never fail
What doesn't kill you makes you powerful
The weapons that you wield
Your fate is never sealed

You don't have to hide from the violence
When you're invincible
You don't have to run from it all
When you're bulletproof
You can always handle a crises
When you're unbreakable
No one's gonna do you no harm
When you're bulletproof
When you're bulletproof
When you're bulletproof
When you're bulletproof
