

# Get You Back

Trapt

Did I go in deep enough to pull you out?  
A piece of you still on the battleground  
You had a change of heart, I had my doubts

If there's a way to fix it, tell me how

Did I get you back in one piece?  
I left you out in the cold  
A part of you had to let go  
Did I get you back in one piece?  
I won't rest 'til you're whole  
Until you finally know

Did I get you back?  
Really get you back?  
Did I get you back?  
Really get you back?

What didn't kill you didn't leave you strong enough  
To bring th life what had become so numb  
Even if the wars we fight cannot be won  
There will be no surrender cause I fight for us

Did I get you back in one piece?  
I left you out in the cold  
A part of you had to let go  
Did I get you back in one piece?  
I won't rest 'til you're whole  
Until you finally know

Did I get you back?  
Really get you back?  
Did I get you back?  
Really get you back?

Try to make it home  
Try to make it home  
Try to make it home  
I'm tired of being alone

Try to make it home  
Try, try, try to make it home

Did I get you back in one piece?  
I left you out in the cold  
A part of you had to let go  
Did I get you back in one piece?  
I won't rest 'til you're whole  
Until you finally know

Did I get you back?  
Really get you back?  
Did I get you back?  
Really get you back?

Get you back
