

## My Devices

Trapt

I want to hide from you  
When I'm seeing red  
Same with I'm feeling blue  
I don't want to pretend

Leave me alone  
Leave me alone  
Leave me to my own devices  
When the cracks start to show  
Just let me go  
Leave me to my own devices  
My devices

I get so tangled up  
So hard to undo  
Who am I running from  
Think I'm running from you

Leave me alone  
Leave me alone  
Leave me to my own devices  
When the cracks start to show  
Just let me go  
Leave me to my own devices  
My devices  
They're my devices  
My devices  
They're my devices, yeah

I don't want to leave you alone  
For what I got do on my own  
Some things I gotta keep to myself  
A place I share with nobody else nobody else

Leave me alone  
Leave me alone  
Leave me to my own devices  
When the cracks start to show  
Just let me go  
Leave me to my own devices  
My devices  
They're my devices  
My devices  
They're my devices, yeah
