

# Ode To You

Trapt

Won't you come over  
I know that you want to  
How does it feel to know i still want you

Why do we always seem  
to want what we can't have?  
Lessons learned  
But did i listen to my heart  
And it said still run back for more?  
More

I've happy for you  
I'm sure that he really loves you  
But it breaks my heart to know i can't hold you  
Yeah

It's just hard to think i'll never get the chance  
To say you're mine  
But every time you hear this song  
You'll know you've made a mark on my heart  
And my mind...
