

## Promise

## Trapt

So what is it about me  
That you can't give into  
Forcing myself back  
Now i can't talk to you  
Maybe i should realize there a chance that  
I was never meant to be with you

So just  
Leave me standing  
Never make that promise  
You're aware your feelings aren't for me  
(don't give it away)  
Forcing me to believe in something real  
I cannot hurt you  
Runaway  
I won't complain it's all my fault  
Leading this observed by you

You see me beg and plead  
It's what I always do  
I guess I got off track  
Oh I must be confused  
Maybe i should realize there a chance that  
I was never meant to be with you

Would you care  
If I was scared  
Would you care  
If I was scared  
I am.....for you
