

## Try It First

Trapt

I have no regrets  
I'd do it again  
I follow my heart  
Wherever I am led  
No guilty trips  
So what if you slip  
Nobody's perfect  
Or innocent

Yeah how do you know if you don't like it if you don't  
Try it first  
Yeah how do you know if you don't like it if you don't  
Try it first

This world is pretend  
One day it will end  
It's trying so hard  
To get inside your head  
One day it will fall  
And so do we all  
And that's when we find out  
Who we really are

Yeah how do you know if you don't like it if you don't  
Try it first  
Yeah how do you know if you don't like it if you don't  
Try it first  
There's no other way for you to really know  
But to live and to learn  
Yeah how do you know that you don't like it if you don't  
Try it first

Yeah how do you know if you don't like it if you don't  
Try it first  
Yeah how do you know if you don't like it if you don't  
Try it first  
There's no other way for you to really know  
But to live and to learn  
Yeah how do you know that you don't like it if you don't  
Try it first
