

Alpha Omega

Trash Boat

Fuck it, here we go again
Problems no one can explain
A new day but nothing's changed
I need something for the pain

Doctor, please, I need a friend
Shut up, take your medicine
Oxy makes me itch
Can't complain when it feels like this

You can take it or leave
Alpha, omega, the cycle repeats
I got time, or does it have me?
Alpha, omega, the cycle repeats
You can take it or leave
Alpha, omega, the cycle repeats
I got time, or does it have me?
Alpha, omega
Feels like this

Idiot
You fucking idiot
Idiot
You're a fucking idiot

Idiot
You fucking idiot
Idiot
Shut it, shut it

Idiot
You fucking idiot
Idiot
You're a fucking idiot

Idiot
You fucking idiot
Idiot
Shut it, shut it

Out of options, nothing left
Open up that shit again
Whole life in disarray
My 20s pissed away

Reevaluate my life
Follow, fuck, have a vice
God! That must be nice!
I just roll the dice

You can take it or leave
Alpha, omega, the cycle repeats
I got time, or does it have me?
Alpha, omega
Feels like this

Idiot

You fucking idiot
Idiot
You're a fucking idiot

Idiot
You fucking idiot
Idiot
Shut it, shut it

Idiot
You fucking idiot
Idiot
You're a fucking idiot

Idiot
You fucking idiot
Idiot
Fucking idiot

This is not okay, so go 'head and tell me another lie
Goes around, comes around just to fuck me over one more time
So what depends? If I left, it'd be a meaningless death
Bullet carve a hole in my head and shit as real as it gets
(Shut down)
Hallucinating, so sedated, I'm gonna
(Drop down)
Trying to fight, I really do not give up
(Not now)
Ready for Hell, call for the Reaper, tell him
(Come now)
All of my meetings be with my demons at the
(Front now)
Alpha, omega, I'm on the front line
I got the pills in my system that help me unwind
Drama, passion, lil baby, you know I'm not fine
Lifestyle alpha omega, baby, we don't die
Lifestyle alpha omega, baby, we don't die

Now watch me resurrect, ah (Watch me resurrect)
Yeah, if I resurrect, ah (What would you do? what would you do?)
Oh

You're a fuckin' muppet, mate

Idiot
You fucking idiot
Idiot
You're a fucking idiot

Idiot
You fucking idiot
Idiot
You're a fucking idiot

Idiot
You fucking idiot
Idiot
You're a fucking idiot

Idiot
You fucking idiot
Idiot
You're a fucking idiot
