

Be Someone

Trash Boat

(Tell me, would I be safe with a gun?
Maybe if I catch a body, I'll be someone)

Run for your life
Biting my tongue 'cause I'm unqualified
Swallow my rage 'til I'm burning inside
We're not the same, we'll never be friends
So out of touch, so don't touch me again
If it has ever been thus, then maybe I'll just take everything back

I complain every day 'cause I'm good at it
Have disdain for the game but I'll never quit
'Cause one day it will change, yeah, I'm sure of it
I don't really wanna fall in line

Tell me, would I be safe would I be safe with a gun?
Maybe if I catch a body, I'll be someone
Tell me, would I be safe would I be safe if I run?
I can always sell my body to have some fun

In one ear and out the other side
Nothing said will ever change your mind
Blood on your hands, you feel justified
An eye for an eye left you deaf, dumb, and blind

You're short sighted
Close minded
There's something you should know
Yeah
When you fight it
The grip tightens
Just let it go

Tell me, would I be safe would I be safe with a gun?
Maybe if I catch a body, I'll be someone
Tell me, would I be safe would I be safe if I run?
I can always sell my body to have some fun

Tell me, would I be safe would I be safe with a gun?
Maybe if I catch a body, I'll be someone
Tell me, would I be safe would I be safe with a gun?
Maybe if I catch a body, I'll be someone

They'll put a bullet right between your eyes
Then start again and leave your body outside
Cold

It's never ending

It gets worse every day and I'm sick of it
We all pay for mistakes of the 1%
It's okay 'cause today I got over it
I don't really like to waste my time

Tell me, would I be safe would I be safe with a gun?
Maybe if I catch a body, I'll be someone
Tell me, would I be safe would I be safe with a gun?

Maybe if I catch a body, I'll be someone
