Blind

Trauma

I hear it pounding loud
The way my heart beats
I'm where I wanna be
Out on the city streets
Blinded by the lust
Drawn into the fire
There are none so blind as will not see
Blind in their desire
Blinded in the flash of the light
The neon glare on the strip at night
Maybe one day the sun will shine down on me
Where I'm going I don't know, too blind to see
The engine's bearing down
In darkness you are bound
The essence of the light
Never to be found
Blinded by the lust
Drawn into the fire
There are none so blind as will not see
Blind in their desire
Blinded in the flash of the light
The neon glare on the strip at night
Maybe one day the sun will shine down on me
Where I'm going I don't know, too blind to see
I'm living on the edge
Your bounded heart begins to fray
There is nowhere to run
I'm blinded by the sun
Blinded in the flash of the light
The neon glare on the strip at night
Maybe one day the sun will shine down on me
Where I'm going I don't know, too blind to see
