## Trauma

Blind man ask me forgiveness  
I won't deny myself  
Disrespect you have given  
Your suffering's my wealth  
I feed off pain, force fed to love it  
And now I swallow whole  
I'll never live in the past  
Let freedom ring with a shotgun blast

Burn my fist to the concrete  
My fear is my strength  
Power, rage unbound because  
Been pounded by the streets  
Cyanide blood burns down the skyline  
Hatred is purity  
The bullet connects at last  
Let freedom ring with a shotgun blast

Scarred  
Pour the salt in the wound  
Unscarred
