

Portrait Of The Lies

Trauma

I am the one and only. i am the faith
I stand on the firmament of the celestial sphere
Your hypocrisy rests in my hands

I am the mighty. i am the chosen
In my eyes burns the fire of my own glory
Under my feet writhes your god

Thy name is truth
Thy name is war
Thy name is you!

I walk the left hand path
It leads me towards the truth
Enclosed in my soul

Never will my soul and flesh
Succumb your hypocritical words
Your god is an illusion. i am the truth

Thy name is truth
Thy name is war
Thy name is you!
