

# Drums Drums Drums

Travis Barker

Yeah

Travvy, where the drums at? (Hahahaha)

Drums, drums, drums, drums, drums, drums, drums, drums (The shade is real)

Drums, drums, drums, drums, drums, drums, drums, drums (Drums, you seem them), uh

Drums, drums, drums, drums, drums, drums, drums, drums (The shade is real)

Let me talk about lightin' one up

Drums, drums, drums, drums, drums, drums, drums, drums (Drums, you seem them)

Drums, drums, drums, drums, drums, drums, drums, drums (The shade is real)

I hop in my car

Drums, drums, drums, drums, drums, drums, drums, drums (Drums, you seem them)

Drums, drums, drums, drums, drums, drums, drums, drums (The shade is real)

You gon' hear sum'

Drums, drums, drums, drums, drums, drums, drums, drums (Drums, you seem them)

Rollin' down the street in it

Pair of Chucks, got my feet in it

Whole pound, no seeds in it

Rina Khalifa goin' up with the trees in it, uh

KK got the whole place lit up

Hit the switch, make my 6'2" sit up

I know you sick, don't spit up

Tell home girl if I can't hit

Drums, drums, drums, drums, drums, drums, drums, drums (The shade is real)

Banger

Drums, drums, drums, drums, drums, drums, drums, drums (Drums, you seem them)

Drums, drums, drums, drums, drums, drums, drums, drums (The shade is real)

Banger

Drums, drums, drums, drums, drums, drums, drums, drums (Drums, you seem them)

Say she wanna ride with us, then ride with us

Say she wanna roll with us, then roll with us

(I'm comin' in on this second verse)

Say she wanna smoke with us, then smoke with us

Hahahaha

Uh, seat in the back, s'posed to be the front

Say, "It's too loud," still burnin' up

Why you all in my face? I don't give a fuck

She ridin' shotgun, tryna gimme some

Oh, there he go again

Rollin' up, puttin' ashes on the floor again

A nice day, I might roll to the store again

And let y'all see the whip, get a whiff, get a switch, get a bitch

Drums, drums, drums, drums, drums, drums, drums, drums (The shade is real)

Banger

Drums, drums, drums, drums, drums, drums, drums, drums (Drums, you seem them)

Drums, drums, drums, drums, drums, drums, drums, drums (The shade is real)

Banger

Drums, drums, drums, drums, drums, drums, drums, drums (Drums, you seem them)

Say she wanna ride with us, then ride with us  
Say she wanna roll with us, then roll with us  
Say she wanna smoke with us, then smoke with us  
Hahahaha

I know you been hangin' and I know you been bangin'  
What's that whip that you drivin'? What's that shit that you rockin'?  
Yeah, I know you been hangin' and I know you been bangin'  
What's that whip that you drivin'? What's that shit that you rockin'?
