

Forever

Travis Barker

Good Lord, Jesus Christ, have mercy
He a demon on tracks, you hear them damn verses?
This motherfucker the Devil, he screamin' and cursin'
I'm pullin' pistols in public, puttin' them on every person
Rap's Rasputin, I'm pullin' pumps on pompous ass preachers and shootin'
I'm sittin' on the last pew-pew-pewin'
One day the poor will eat the affluent
Hope you atone for you past doings
'Cause one day Sundays with hunnies hummin' and zombies comin'
Approach your preacher for profit, prophet, you owe me somethin'
To put it simply, just mix your words and empty
If I ain't hungry then your bread won't tempt me, uh
So I suggest you help the less and feed their tummy tall
Or one day pointed at your tummy is a Tommy Gun
Or maybe that's my paranoia that I'm walkin' with
As I burn this spliff and try locate the mother ship

(Ayy) This-this-this the jungle
(Ayy) This-this-this the jungle, forever
This-this-this the jungle-ungle forever
(Ayy) This-this (Ayy) This-this-
this (Ayy) this the jungle, jungle, jungle(Ayy)
Jungle, jungle, jungle, forever ever
Jungle, jungle, jungle, forever ever
Jungle, jungle, jungle, forever ever
Forever ever

Balderdash, you not gettin' it past rap's Putin
Who ride a horse, bareback, shootin'
A champ in the land of the stupid
The kind that take the candy out kids' hands and laugh in amusement
The damned got a movement
They love to redefine what truth is
I find that little exercise useless
I'm losin', that last dose of shrooms was a doozy
The loosely knit walls of reality don't move me
Don't hail about a QP
Enough to make a cutter out the cookie
The brothers of the jewels spit rubies
These planetary gates murder truly
But baby, they all fools and they eat from the hands of those rulin'

(Ayy) This-this-this the jungle
(Ayy) This-this-this the jungle, forever
This-this-this the jungle-ungle forever
(Ayy) This-this (Ayy) This-this-
this (Ayy) this the jungle, jungle, jungle(Ayy)
Jungle, jungle, jungle, forever ever
Jungle, jungle, jungle, forever ever
Jungle, jungle, jungle, forever ever
Forever ever
