

If You Want To

Travis Barker

Your mind's on a ... no pigs on the game, no swine for the sucker
no wine in the coup and everything my mind might show signs of the suffer

Keep you oppressed, ...struggle, to keep it all pressed like supper
... cutter, scheming her theme but I ain't nigger jam on the butter
I'm more like clever, ...cut in the gutter

Never can't tell I won't bow down to the ... like ...

thang what I run for I could be a matador

so .. I gonna ...fucked up like rap ...

but there's no ... I loose to I choose

I keep it down rise to harpoons, ...to the sign of rise up

it's time to rise up,...it's fucked up,

Hey I'm right that ... I ain't ... the best, oh

... niggers just yell at me but I got ... oh

...down on the ground ...

If you want to bug, if you want to chill, if you want to...

if you want to joke, if you want to spit ...

Been around the world and things that I've seen

this things can turn into things I've seen

things string together but some of them ... in between

... jing ming, dream, bling, ring, bling, ring, oh

...singing that ... somebody to love rap...

better stay on your scene ...

...I got the ... fly with no wings

I must admit it I am chained with the best, oh

... niggers is jealous... but I got ... oh

...down on the ground ...

If you want to bug, if you want to chill, if you want to...

if you want to joke, if you want to spit ...

Success is my friend, who knew that when I grew up I'd be just like him

Expect my roar if you reject my wim, errect my law, respect my pim

I bring the pain, ... I bring the pain

...jump the family one of my best friend,

Try and kill us all your deaths breaks in, I'll just reply with excess winds

Please God correct my sins to protect my kin, as they keep thinking

... my leg...

I must admit it I am chained with the best, oh

... niggers is jealous... but I got ... oh

...down on the ground ...

If you want to bug, if you want to chill, if you want to...

if you want to joke, if you want to spit ...
