

# Forever And Ever Amen

Travis Cottrell

Praise our God, the strong and mighty one  
Who's seated on the throne  
Praise our king, every knee will bow  
And worship you alone

Hear the sound of your people, a song lifted high  
Let your praises fill the sky

Hallelujah, hallelujah  
Salvation and power belong to our God  
Hallelujah, hallelujah  
All glory and honor belong to our God  
Forever and ever amen  
Forever and ever amen

Praise the lamb, our great redeemer  
Now is high and lifted up  
Praise the One who reigns forever  
Full of justice, full of love

Hear the sound of your people, a song lifted high  
Let your praises fill the sky

Hallelujah, hallelujah  
Salvation and power belong to our God  
Hallelujah, hallelujah  
All glory and honor belong to our God  
Forever and ever amen  
Forever and ever amen

Holy, holy, holy  
All of heaven singing  
Holy, holy, holy  
All creation singing  
Worthy, worthy, we sing worthy  
All your children singing  
Worthy, worthy, worthy, Lord

Hallelujah, hallelujah  
Salvation and power belong to our God  
Hallelujah, hallelujah  
All glory and honor belong to our God  
Forever and ever amen  
Forever and ever amen (Amen)  
Forever and ever, forever and ever  
Forever and ever amen
