

God Leads Us Along

Travis Cottrell

In shady, green pastures, so rich and so sweet
God leads His dear children along
Where the water's cool flow bathes the weary one's feet
God leads His dear children along

Some through the waters, some through the flood
Some through the fire, but all through the blood
Some through great sorrow, but God gives a song
In the night season and all the day long

Sometimes on the mount where the sun shines so bright
God leads His dear children along
And sometimes in the valley, through darkest of night
God leads His dear children along

Some through the waters, some through the flood
Some through the fire, but all through the blood
Some through great sorrow, but God gives a song
In the night season and all the day long

God leads His dear children along

Some through the waters, some through the flood
Some through the fire, but all through the blood
Some through great sorrow, but God gives a song
In the night season and all the day long
In the night season and all the day long
