

I'm Over

Travis Cottrell

I've lived so long in darkness
Fighting all I believe
I've questioned everything You are
But faithful as the morning star You never leave

Oh, I'm over
Living life in fear and doubt
Oh, I'm over
I won't resist the one I can't live without
I'm over

I don't know why You chose me
Knowing I would be weak
But just as I am torn apart
You run to me with open arms and hold me

Oh, I'm over
Living life in fear and doubt
Oh, I'm over
I won't resist the one I can't live without
And I know You love me
Even when it's hard to see
I'll follow and choose to say
I'm over

You never said it would be easy
But You promised that You'd stay
You'll give me rest
And You will be here with me
You'll never walk away

I'm over
I'm over

Fighting, doubting
Losing, drowning
(I'm over)
Running, fearing

Oh, I'm over
Living life in fear and doubt
Oh, I'm over
I won't resist the one I can't live without
And I know You love me
Even when it's hard to see
I'll follow and choose to say
I'm over

I'm over
I'm over
