

I'm Changed

Travis Cottrell

There's a dead man in the grave beneath my name
That reminds me of the day my life was changed
Now it is not I but it is Christ
Living in me, oh

I was lost but now I'm found where I belong
I could never be the way I was before
Now it is not I but it is Christ
Living in me, oh
Living in me, oh

I'm changed because of You
I'm changed because of You
I'm changed because of You, oh Lord
I'm changed because of You
I'm changed because of You
I'm changed because of You, oh Lord

There's a dead man in the grave beneath my name
That reminds me of the day my life was changed
Now it is not I but it is Christ
Living in me, oh

I was lost but now I'm found where I belong
I could never be the way I was before
Now it is not I but it is Christ
Living in me, oh
Living in me, oh

I'm changed because of You
I'm changed because of You
I'm changed because of You, oh Lord
I'm changed because of You
I'm changed because of You
I'm changed because of You, oh Lord

This is the life that I now live
This is the life that I now live
This is the life that I now live
I live by faith, oh

This is the life that I now live
This is the life that I now live
This is the life that I now live
I live by faith, oh

This is the life that I now live
This is the life that I now live
This is the life that I now live
I live by faith, oh
I live by faith, oh

I'm changed because of You
I'm changed because of You
I'm changed because of You, oh Lord
I'm changed because of You
I'm changed because of You

I'm changed because of You, oh Lord

'Cause of You

I'm changed because of You

I'm changed because of You

I'm changed because of You, oh Lord

I'm changed because of You

I'm changed because of You

I'm changed because of You, oh Lord
