

In The River

Travis Cottrell

There is a river where goodness flows
There is a fountain that drowns sorrows
There is an ocean deeper than fear
The tide is rising, rising

There is a current stirring deep inside
It's overflowing from the heart of God
The flood of heaven crashing over us
The tide is rising, rising

Bursting, bursting
Up from the ground, we feel it now
Bursting, bursting
Up from the ground, we feel it now

We come alive in the river
We come alive in the river
We come alive in the river
We come alive in the river

There is a current stirring deep inside
It's overflowing from the heart of God
The flood of heaven crashing over us
The tide is rising, rising

Bursting, bursting
Up from the ground, we feel it now
Bursting, bursting
Up from the ground, we feel it now!

We come alive in the river
We come alive in the river
We come alive in the river
We come alive in the river

Break open prison doors
Set all the captives free
Spring up a well, spring up a well
Spring up a well in me
Nothing can stop this joy
We're dancing in the streets
Spring up a well, spring up a well
Spring a well in me!

We come alive in the river
We come alive in the river
We come alive in the river
We come alive in the river

We come alive in the river
We come alive in the river
We come alive in the river
We come alive in the river
