

# Kings And Kingdoms

Travis Cottrell

When the mountains shake, crash into the sea  
When the oceans roar their troubled song  
When the nations rage, when there is no peace  
And the cries of war are loud and strong

We will not be moved  
We will not be shaken!

Kings and kingdoms fall  
But the Lord our God will reign forever  
Sovereign over all  
The Lord our God will reign forevermore

Generations stand on Your faithfulness  
Everything unknown is in Your hands  
You have overcome every enemy  
You have vanquished death by Your command

And we will not be moved  
We will not be shaken!

Kings and kingdoms fall  
But the Lord our God will reign forever  
Sovereign over all  
The Lord our God will reign forevermore!

O God, You are our God, we put our trust in You  
Jesus, the Lord of all, we put our trust in You  
You hold the whole world in Your hands  
O God, You are our God, we put our trust in You  
Jesus, the Lord of all, we put our trust in You  
You hold the whole world in Your hands  
O God, You are our God, we put our trust in You  
Jesus, the Lord of all, we put our trust in You  
You hold the whole world in Your hands  
You hold the whole world in Your hands!

Kings and kingdoms fall  
But the Lord our God will reign forever  
Sovereign over all  
The Lord our God will reign forever...

The Lord our God will reign forever  
The Lord our God will reign forevermore!
