

Lead Me

Travis Cottrell

O, Keeper of my heart
Strength when I am weak
Hope that will not fail
Friend that will not leave
I long to hear Your voice
Come and speak to me
Have Your way

Lead me, lead me
Author of my days
Lamp unto my feet
Lead me, lead me
I am Yours
Lord, lead me on

When sorrow comes for me
When troubled waters rise
When questions overcome
I lift my weary eyes
And find my present help
Faithful every time
Have Your way

Lead me, lead me
Author of my days
Lamp unto my feet
Lead me, lead me
I am Yours
Lord, lead me on

Your ways are higher
Your wisdom greater
You are my Shepherd
You are my Savior

Your ways are higher
Your wisdom greater
You are my Shepherd
You are my Savior

Lead me, lead me
Author of my days
Lamp unto my feet
Lead me, lead me
I am Yours, lead me on

I am Yours
Lord, lead me on
