

# Sanctus

Travis Cottrell

In earth and Heaven, there is none like You  
Sanctus, Sanctus  
None worthy to ascend your throne and rule  
Sanctus, Sanctus  
Righteous almighty King  
Saints and angels join to sing  
Sanctus, Sanctus

Rex tremendae majestatis  
Rex excelsis gloria  
Gloria, Sanctus

Savior, you're the perfect, spotless lamb  
Sanctus, Sanctus  
Our every breath is given by Your hand  
Sanctus, Sanctus  
You reign with power on high  
We fall before you and we cry  
Sanctus, Sanctus

Rex tremendae majestatis  
Rex excelsis gloria  
Gloria, Sanctus

With reverence and with fear  
With trembling lips, Lord we draw near  
Singing holy, holy  
King of awesome majesty  
King of highest glory  
Glory, Sanctus  
Glory
