

# We Will Dance

Travis Cottrell

Sing a song of celebration  
Lift up a shout of praise  
For the Bridegroom will come  
The glorious one  
And oh we will look on His face  
We'll go to a much better place

So dance with all your might  
Lift up your hands and clap for joy  
The time's drawing near  
When He will appear  
And oh we will stand by His side  
A strong pure spotless bride

And we will dance on the streets that are golden  
The glorious bride and the great Son of Man  
From every tongue and tribe and nation  
We'll join in the song of the Lamb

We'll join in the song of the Lamb

We will dance, we will sing, we will shout hallelujah hallelujah  
We will dance, we will sing, we will shout hallelujah hallelujah  
We will dance, we will sing, we will shout hallelujah hallelujah  
We will dance, we will sing, we will shout hallelujah hallelujah  
We will sing hallelujah

And we will dance on the streets that are golden  
The glorious bride and the great Son of Man  
Every tongue and tribe and nation  
We'll join in the song of the Lamb

And we will dance on the streets that are golden  
The glorious bride and the great Son of Man  
From every tongue and tribe and nation  
We'll join in the song of the Lamb  
We'll join in the song of the Lamb  
We'll join in the song of the Lamb

Hallelujah hallelujah
