

# You Will Be Our God

Travis Cottrell

You have kindled the burning desire in our hearts  
To know You more  
There's a passion within us to be where You are  
Forevermore

So, we cry out for mercy  
We lay our lives down  
To seek You while You may be found

And You will be our God  
We'll be Your people forever  
Because You have loved us and called us Your own  
You will reign in our hearts alone  
You will be our God  
You will be our God

Let our worship become an unquenchable fire  
A holy blaze  
An extravagant love, a relentless desire  
To bring You praise

Overwhelmed by Your mercy  
In awe of Your grace  
We'll follow You all of our days

And You will be our God  
We'll be Your people forever  
Because You have loved us and called us Your own  
You will reign in our hearts alone  
You will be our God  
You will be our God
