

## Buy A Girl A Drink

Travis Denning

If you wanna watch money disappear, go buy a boat  
If you wanna see it double in a couple years, buy some land  
If you're gonna bet it all, all I can say is football ain't the  
way to go  
If you really wanna spend the best \$7.50 you can

Buy a girl a drink, talk to her all night  
Call her three days later, kiss her in the porch light  
Go meet her mom and dad Labor Day weekend  
Catch hell from your buddies 'cause you're in the deep end  
Buy a ring, get married, honeymoon on an island  
Raise babies, then look back smilin'  
From a rockin' chair, man, I swear you'll be there fast as you  
can blink  
Just buy a girl a drink

If you gotta get yourself one first, buddy, that's okay  
Make it something strong and get that courage up  
Go say somethin' to her that you thought was smooth, that she'll  
laugh about one day  
And drink it all up 'cause it goes by quicker than the liquor down  
in that cup

Buy a girl a drink, talk to her all night  
Call her three days later, kiss her in the porch light  
Go meet her mom and dad Labor Day weekend  
Catch hell from your buddies 'cause you're in the deep end  
Buy a ring, get married, honeymoon on an island  
Raise babies, then look back smilin'  
From a rockin' chair, man, I swear you'll be there fast as you  
can blink  
Just buy a girl a drink

Yeah, buy a girl a drink and hold on tight  
'Cause that's all that you can do  
'Cause if she's the one, I'm tellin' ya, man  
You can't afford not to

Buy a girl a drink, talk to her all night  
Call her three days later, kiss her in the porch light  
Go meet her mom and dad Labor Day weekend  
Catch hell from your buddies 'cause you're in the deep end  
Buy a ring, get married, honeymoon on an island  
Raise babies, then look back smilin'  
From a rockin' chair, man, I swear you'll be there fast as you  
can blink  
Just buy a girl a drink
