

# Goodyears

Travis Denning

It's just a two-lane, double line  
Speed trap, 45 mile an hour map dot  
Little town kinda life  
Worked till that 9 to 5 timecard shift horn blows

40 hour paychecks cashin' at the bank  
87 unleaded toppin' off the tank  
In a double stacked glass pack jacked V8  
Waitin' on a greenlight, go

Rollin' on them Goodyears  
Flyin' on them high times  
Circle K cold beer  
Growin' up on a Friday night  
Between the bottom fallin' out to the river runnin' dry  
We drop it down in drive on them dirty 35s  
Just keep on doin' how we do it to get through it 'round here  
Rollin' on them Goodyears

There's a dust covered metal sign  
Sittin' at the county line  
Single A State Champs 94-95  
Home team red and white, pride still hangin' around

Jackpot scratch off lookin' for the numbers  
Corn row field wasn't good as last summer  
Yeah, you hope for the rain, settle for the thunder  
Don't know how you could make it without

Rollin' on them Goodyears  
Flyin' on them high times  
Circle K cold beer  
Growin' up on a Friday night  
Between the bottom fallin' out to the river runnin' dry  
We drop it down in drive on them dirty 35s  
Just keep on doin' how we do it to get through it 'round here  
Rollin' on them Goodyears

Through the downs and the ups, all smooth and the rough  
Yeah, there's days where you pray and days where you cuss  
From the sun comin' up, the sun droppin'  
Yeah, we just keep on rockin'

Rollin' on them Goodyears  
Flyin' on them high times  
Circle K cold beer  
Growin' up on a Friday night  
Between the bottom fallin' out to the river runnin' dry  
We drop it down in drive on them dirty 35s  
We just keep on doin' how we do it to get through it 'round here  
Rollin' on them Goodyears  
Yeah, rollin' on them Goodyears
