

If You Need Anything Down Here

Travis Denning

Hey, man, I know it's been a couple of days
Since I hit you up and I said, hey
But I just drove by your parents' place
Thought I'd check in
Yeah, things 'round here ain't really changed at all
Football's still big, town's still small
I see your sister workin' up at the mall
Every now and then
I bet it's nice up there this time of year
But, if you need anything down here

Have a red Chevrolet like yours drive by
Put an old Skynyrd song on the radio
Make a couple shootin' stars fly across the sky
Hook me up to a bass at the honey hole
Anything that'll get me thinkin' 'bout
All the hell we raised when you were still around
I swear, it's that easy
If you need anything down here
You know how to reach me

I can check on Amy, if you want me to
She's finally seein' somebody new
He ain't half bad and to tell you the truth
He's a lot like you
Or if you just wanna make me stop and smile
Every once in awhile

Have a red Chevrolet like yours drive by
Put an old Skynyrd song on the radio
Make a couple shootin' stars fly across the sky
Hook me up to a bass at the honey hole
Anything that'll get me thinkin' 'bout
All the hell we raised when you were still around
I swear it's that easy
If you need anything down here
You know how to reach me

Yeah, you always did
Ever since we were kids
So, whatever it is, buddy, I got you
You know what to do

Have a red Chevrolet like yours drive by
Put an old Skynyrd song on the radio
Make a couple shootin' stars fly across the sky
Hook me up to a bass at the honey hole
Anything that'll get me thinkin' 'bout
All the hell we raised when you were still around
I swear, it's that easy
If you need anything down here
You know how to reach me

If you need anything down here
