I know how you feel in side You're in love and so am I But you're with some other guy I should be the one by your side

He cheated Made you feel no good I told you that he would I knew he'd make you cry

You're broken Let me make it better Glue you back together Just give me a try

Pretty pretty please Don't you ever ever feel Like you're less than Fuckin perfect

If you get with me I won't ever make you feel Any less than fuckin perfect You'll see

At his house you found her clothes Tried to play you and say, "who's are those" He's so stupid Here's how I know What kind of genius would let perfection go

He's conceited, only bout himself He loves nobody else He ain't even fly

You're broken Let me make it better Glue you back together Just give me a try

Pretty pretty please Don't you ever ever feel Like you're less than Fuckin perfect

If you get with me I won't ever make you feel Any less than fuckin perfect You'll see
