

Headed For A Heartbreak

Travis Garland

Beauty is her name, And she don't even see
He covers her eyes, to what she needs
She'll never even know real love from a boy
Her hearts on the line her tears are on the floor

Now she's lonely talking to his voicemail
"Just called to say hello, Babe please pick up the phone"
All the other girls and she's not the only one that he's with
"Your probably busy babe but, I love you anyway"

You deserve so much better
Ha ha ha ha ha ha
Show you everything he's not
Ha ha ha ha ha ha
Cause he don't treat you right
Ha ha ha ha ha ha
Cause all that lying, it's just got to stop babe
Headed For a heartbreak

Selfish is his name and he's cold as can be
If he doesn't want her, then why won't he leave?
He only wants to get as many as he can
To him it's just a game, to bad he's just a man

He's not even trying to check his voice mail
"You better call me back, just wanderin' where you at"
He's at home and with some other female
"Know you ain't well but call me when you're feeling well"

You deserve so much better
Ha ha ha ha ha ha
Show you everything he's not
Ha ha ha ha ha ha
Cause he don't treat you right
Ha ha ha ha ha ha
Cause all that lying, it's just got to stop babe
Headed For a heartbreak

You deserve so much better
Ha ha ha ha ha ha
Show you everything he's not
Ha ha ha ha ha ha
Cause he don't treat you right
Ha ha ha ha ha ha
Cause all that lying, it's just got to stop babe
